THE LARGEST JURIED CRAFT FAIR ON THE EAST COAST

FEBRUARY 20—22, 2026

BALTIMORE CONVENTION CENTER

FAIR GUIDE

AN EVENT BY
AMERICAN
CRAFT
COUNCIL

The American Craft Council is pleased to host American Craft Made Baltimore 2026.

ACC is a national nonprofit based in Minneapolis, Minnesota. Our mission is to foster livelihoods and ways of living grounded in the artful work of the human hand, creating a more joyful, humane, and regenerative world.

We envision a world where objects matter, makers thrive, and craft connects.

WHAT WE DO:

Artist development.

We offer innovative programs that support craft-centered livelihoods and celebrate the past, present, and future of the handcrafted.

Craft storytelling.

We tell stories that illuminate the many ways that craft connects people and shapes culture.

Unique events.

We create engaging in-person and virtual events that bring makers and appreciators together.

Promotional materials for this year's fair feature work by Kathleen Grebe. Find them at booth 243.

Welcome!

On behalf of the American Craft Council (ACC) staff and board and our 400+ participating artists, makers, and partners, welcome to American Craft Made Baltimore and thank you for joining us!

This beloved annual fair, now 49 years young, presents one of our country's best opportunities to discover, learn about, and collect fine objects embodying the artful work of the human hand. It supports craft-centered livelihoods, nurtures community, and brings much needed joy into our lives.

American Craft Made Baltimore is also an opportunity to experience ACC's ongoing evolution. Partnerships with other nonprofits play an increasingly vital role in our work to create a world where objects matter, makers thrive, and craft connects. As an example, we're excited to welcome Mountain Bizworks' Craft Your Commerce program and Blue Ridge Heritage Area's Craft Trails initiative into new group booths, where each organization is represented by a curated group of constituent artists.

Thank you to all participating artists and makers, partners and sponsors, ACC members and donors, volunteers, and guests for making this fair possible. And thank you to the Baltimore Convention Center and the City of Baltimore for welcoming ACC since 1977. We are proud of our legacy in this vibrant city and deeply grateful for your support.

Andrea Specht, Executive Director
American Craft Council
